

Minutes of Committee on Climate Change - 1 December 2008

Present were Adair Turner, Bob May, Brian Hoskins, Michael Grubb, Jim Skea, Sam Fankhauser and David Kennedy

The Committee met for the first time as a newly vested statutory non departmental public body.

First Advice Report

The Committee endorsed CCC's first report '*Building a low carbon economy – the UK's contribution to tackling climate change*'. This report sets out the CCC's advice on setting and meeting carbon budgets, the 2050 target, the role of aviation and shipping, and scope of the UK's framework (all Kyoto GHGs vs CO₂).

Appointments

The Chair confirmed the appointment of Members to the Committee on Climate Change by the Ed Miliband, Secretary of State, Department of Energy and Climate Change.

The Committee confirmed the permanent appointment of David Kennedy as Chief Executive and Accounting Officer of the CCC from 1 December 2008.
